Notes:

The class is limited to 30 students. Please make reservations as soon as possible.

No training materials will be provided at the class. Students are required to download and print the CQM training materials if they wish to utilize a hard copy of the material during class. Students can also bring a laptop if they wish to view and follow along with an electronic copy of the course material.

The Estes Kefauver Federal Building and Annex is a secure facility. All students will be required to pass through Security every time they enter the facility. The closest entrance to Cafeteria B is the 9th Avenue entrance to the facility.

Parking in downtown Nashville near the federal building is limited. Students are encouraged to arrive early to provide enough time to find a parking space and pass through security. The class will start promptly at 8:00 AM.
